

wine

/waɪn/

noun

noun: **wine**; plural noun: **wines**

1. an alcoholic drink made from fermented grape juice.

The Wine Pairing

Patrycja, Andrei and Aline, in collaboration with our kitchen team have created a unique wine pairing to accompany your menu.

The interaction between food and wine can alter our perception of taste. Our wine pairing selections take advantage of this effect to enhance your experience of both food and wine.

We believe the most effective wine pairings will balance, harmonise or amplify the flavours of the dishes and the characteristics of the wine, adding an extra dimension to your dining experience.

The wine pairing gives you the chance to explore a range of fascinating wines from around the world if you are feeling either adventurous or indecisive!

Our sommelier team is on hand to discuss all of your wine options

Wines by the glass

If you would like a glass of wine before your meal, or to go alongside your main course, we have some options listed below. If you would like wines paired with your food throughout, the sommelier team have prepared a Wine Pairing which they will happily talk you through.
